

# Torrents using audiobookbay

<https://audiobookbay.lu>

You first need to be in the correct geographic location. Might need to use a VPN to get yourself in the right place. Europe somewhere.

Look up whatever book you want.

If you use quotes in the search, you will get better results. "thebookyouwant"

Once you have the book page up, go down to the Info Hash:

There you will see the long string of numbers. copy that and past that into your torrent client.

Boom. You should be downloading now.
