

# Torrents using audiobookbay

<https://audiobookbay.lu>

You first need to be in the correct geographic location. Might need to use a VPN to get yourself in the right place. Europe somewhere.

Look up whatever book you want.

If you use quotes in the search, you will get better results. `"thebookyouwant"`

Once you have the book page up, go down to the `Info Hash:`

There you will see the long string of numbers. copy that and past that into your torrent client.

Boom. You should be downloading now.
